Attachment D: Statement of Progress with the 5- Year Plan

One of the strategic goals that was identified for the 5-Year Plan on behalf of the Mountainair Housing Authority Agency was to improve the SEMAP score which in the last two (2) years has been accomplished. Another objective goal was to undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status and disability which this goal has also been accomplished. The Mountainair Housing Authority Agency is assisting low and very low income families throughout Torrance County with funding from other sources for families to be assisted with. This other source of funding was funded by Mortgage Finance Authority (MFA) for families to be able to receive assistance for utility connection fees and also help pay security deposits to landlords so that when the families were selected from the waiting list from this office those families were already a step ahead in that one of their utility connection fees was paid and the security deposit was paid to the landlord. These monies were refunded through the Homeless Prevention Program and the Tenant Based Rental Assistance Program (TBRA).
